These are lovely natured young females that have been brought on correctly, never experienced a set back and given the best start possible to set them up for life. In optimal condition to put out with the Bull of your choice with a beautiful shine bouncing off their backs. Heifers are long, soft and gentle natured, with a maternal style able them, Perfect small lot of females to suit a vealer producer, or an opportunity to join a few nice well grown females and value add.
