Vendor Comments

These have been a great run of Heifers, went through a very tough dry period and have come out the other end in fine form.

Assessor Comments	Buyers today on offer we have a deck of Vendor bred Heifers. All the Heifers are showing in strong store condition and have done very well considering the dry time they have come through, up until 6 weeks ago the Heifers have spent 5months being tailed on the road and handled daily. This is noticed in their temperament as they are very well handle. These Heifers will go on to make great Breeders or ideal to grow out for the feeder markets. Please note there is one Brindle in this lot.
