Assessor Comments	Buyers today on offer we have a deck of Vendor bred Heifers. All the Heifers are showing in strong store condition and have done very well considering the dry time they have come through, up until 6 weeks ago the Heifers have spent 5months being tailed on the road and handled daily. This is noticed in their temperament as they are very well handle. These Heifers will go on to make great Breeders or ideal to grow out for the feeder markets. Please note on assessment a few showed a blemish of blue in their eye but not detrimental to the Heifer. Vendor does have another lot in the same sale.
