Assessor Comments

A beautiful vendor bred line of Charolais cross females showing good weight for age. Sired from Quality Bulls these heifers are showing softness, thickness & depth. These cracking heifers provide you with an opportunity to purchase for domestic grain fed operations or as replacement heifers to put straight to the bull! Either way you will be purchasing a quality line of heifers that will excel in whatever new given roles they are given. ** There is also a line of 21 Santa Cross Heifer sisters in the same sale** ** There is a couple with a light spotting/blemish in eye but not detrimental** **The scales on farm were playing up a little but the weights should be very close.**
