	Easy cattle to handle, some had a little bit of run in them when left with too much space or too much pressure put on, but were easily blocked when needed.			
Handled With	Bikes , Dogs , Vehicles			
Assessor Comments	A quality line of healthy Santa cross yearling heifers showing good weight for age. Sired from Quality Santa & Red Angus Bulls the majority of these heifers are showing softness, thickness & frame. These heifers will provide you with the dual opportunity to either purchase for domestic grain fed feeder operations or as replacement heifers to put straight to the bull! Either way you are on a winner! ** There is also a deck of the Charolais X Sisters in the same sale** ** There is a couple with a light spotting/blemish in eye but not detrimental** **The scales on farm were playing up a little but the weights should still be very close.**
