Assessor Comments	A good line of EU accredited Angus and Angus cross steers that have been yard weaned for 3 weeks and would perform well for the next owner. Steers are by bulls that are sired by either Temania Emperor or Granite Ridge Express. All steers present in forward store condition and are of good quality. Two steers noted to have pink eye and were treated at assessment and one steer presented with ringworm. Steers are vendor bred and averaged 273kg at assessment.
