Assessor Comments

A nice line of Black baldy heifers sired by Glenavon and Bladblair bulls these heifers have been PG'd and PTE. A good opportunity to purchase a line of heifers presenting in a forward condition and given the right opportunity compensatory gains to be had. Heifers would be ideal to to take home and join to the bulls of your choice or alternatively would grow out to feedlot weights or suitable for export markets. PLease note 1heifers getting over pinkeye treated at assessment.
