Assessor Comments	25 Angus yearling Heifers, 10 - 14 months, weighing 247.7kg curfewed. Heifers are renowned Belltrees Station bred and are only being sold due to continual dry seasonal conditions. Heifers would normally have been kept and joined. Heifers are out of station bred females by JT Angus sires and are known for their high fertility. Ideal Heifers that will steam ahead given an opportunity and either join at later date or fattened as they have been started on feed.
