Assessor Comments	25 Unweaned light weight Angus steers. They display all the traits that is expected of the breed. With length, stand on good bone and plenty of thickness. All sired by Sugar Loaf Stud Angus Bulls - bulls are selected for growth and confirmation. Great steers to handle and easy to work with. Out of good medium and large frame females these steers should have plenty of growth ahead of them. Steers that will go on to meet a wide range of markets - local trade to heavy grain or grass fattened. They have never had any grain - therefore Grass Fed and Antibiotic Free eligible. 25 very smart vendor bred steers. NB another 34 Angus steer weaners in same sale on property next door.
