Totals			50%	50%	100%

Comment on Fat Score 1 Cattle	Cows are in srong store condition. Given their body score they will handle travelling long distance, with regular 800 km spells. Cows are Ticky, however are expected to clear at first dipping attempt. All cows have been on trucks before for long distances and are familiar with transporting. Calves have not been trucked previously. would expect to truck at 8 cows and 8 calves per pen.
-------------------------------	--

Vendor Bred	No
-------------	----

Stock History	Vendor has owned stock for More than 12 months							
Lifetime Traceable	Cows moved from northern breeder properties to fattening property where currently located at Richmond.
