Assessor Comments	A good trade opportunity exists with these cows & calves. The calves are of very good quality and will be suitable for a wide array of southern markets while the majority of these cows having enough frame to grow into good slaughter weights. The cows despite their age are doing a marvellous job on the calves and have been doing well with the rising plain of nutrition. 10 older/poorer cows mouthed with 3 observed to have worn teeth. Please Note: 1 calf with pinkeye, 2 cows with 1 or more bottle teats (other teats useable), 18 cows observed with fly bite
