Assessor Comments	Buyers a great opportunity to secure a 1 deck line of good quality Speckle Park/Angus X Heifers with F1 calves at foot sired by 3D Wagyu bulls (see attachments for pedigrees). Heifers were purchased from Vic as future breeders and are only now coming to the market as Vendor has sold property. Heifers present in store condition doing a great job on their first calf through very trying conditions until recent rain. The majority of heifers show good conformation and all the feminine characteristics to be an asset to most breeder herds and will continue to grow out and reach their potential given the opportunity. Please not, three with small blue spot in one eye, not considered detrimental. Note vendor has 1 other lot in sale
