Assessor Comments	A very good line of PTIC Angus heifers that are Bred in the Purple, as only selecting the best bulls when purchasing there sires should help these heifers become very good Breeders for the future. The bull that these heifers are in calf to was purchased at the 2023 Millah Murrah sale for his low birth weight temperament and high growth he was lot 111 and is on U Tube for people to see. Please note there is approximately 4 heifer with white on udders and one on navel.
