Assessor Comments	A small line of 7.5yr old PTIC Angus x Limousin cows with calves at foot. Cows are in strong store condition and stand on a good frame. Cows are doing an outstanding job on their calves as evidenced by their excellent weight for age. Cows are PTIC to the Angus bull to commence calving mid August. Cows are all good sound mouth. Calves are marked and have all health treatments up to date. An excellent opportunity to buy quality 3 in 1 units with big calves at foot that will provide a quick return on investment. Vendor will deliver to Armidale saleyards upon request of purchaser at own expense. PLEASE NOTE: One cow noted to have long toes (see media) but moves freely. Not detrimental. Two calves have white spot on eye as a result of old pinkeye scar (see media). Not detrimental.
