Assessor Comments	A quality line of First Calf Heifers by OutWest Angus Bulls, with F1 calves at foot sired by the Door Key Wagyu Bulls. Heifers are doing a great job on their first calf coming out of a dry spring/summer and have put a lot into their calves. Heifers have been rejoined to the Booragul Angus Bull for a Spring calving. Given the opportunity, these heifers will continue to go forward and would be an asset to any herd or potentially a split job.
