Assessor Comments	24 x 24 Angus Cows with very sappy Black Simmental CAF. Cows are 4.5-8yrs old, a good honest type, medium to a few larger framed cows with a plenty of milk and are putting everything into their young calves. Calves are sire by Round Em Up Black Simmental bulls and are very sappy with a nice shape and style to them. Cows have been running back to Black Simmental bulls for 7 days at assessment and will continue to run with them until delivery. Cows that still have plenty to give!!
