Assessor Comments	16 exceptionally quiet, young Black Baldy 2nd calvers, PTIC to a Black Limosuin Bull for an August calving. These moderate framed heifers are proving to be very good mothers are doing a very good job on their sappy calves which were weaned at assessment. They were a pleasure to handle in the yards. All the hard work has been done with these heifers, animal health is all up to date and I would think they would grow into nice cows.
