Temperament

Yards	Crush	Paddock
Docile: 9 head Quiet: 2 head	Docile: 7 head Quiet: 4 head	Temperament not assessed in Paddock

Very quiet and well educated cattle that worked through the yards in a very manageable manner. They did not appreciate being mouthed but exited the crush at walking pace afterwards. Cattle that any level of experience could confidently and safely manage going forward.

Handled With	Bikes , On foot , Vehicles

Notable Traits

	Traits
1 Head	1 calf with white upto the pizzle
2 Head	White underneath on the udder and up to the navel

Assessor Comments	Young cows doing a fantastic job on their calves. Plenty of weight and frame in these girls with excellent genetics behind them. All have calved unassisted bar one 2nd calver that had a calf pulled due to incoming inclement weather. These cattle represent a real opportunity for the first time purchaser through to the larger herd to boost numbers. Fresh shiny calves at foot and ready to be joined to the bull of your choice in the coming months. Cattle that come with the highest recommendation and can be purchased with full confidence
