Lovely natured Bull. Vendor pushed him around by hand to get him to walk out and stand up for photos. Nothing much bothers him. Even stands for a scratch. A credit to the vendor on his education and composure.

Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	Smooth coated young Bull with a free moving style. Very quiet natured in the yards & paddock. Semen & Penile Checked and ready to work. Rich, deep coated, with natural dark pointing, a bull that should throw real depth of colour in to his calves. High calving ease bull, with positive figures for Carcase weight & Eye Muscle area. Good bull to use as a terminal sire or to produce some future breeders with. Please see attached Docs.
