Very easy cattle to handle. They have had a lot of exposure to handling and yards with regular rotational grazing patterns and this also makes the cattle quiet. They were through the yards and every heifer just took their turn and stood on the scales. Only one heifer moved on the scales during the whole process. Exceptionally quiet

Handled With Bikes , Vehicles , 4 wheel bike

Assessor Comments All the Yala Yala cattle are well handled and a pleasure to work. A wonderful opportunity to secure quiet cattle to for a small property or to top a herd off. They have their first calf at foot and have been back with the Speckle Park bull from 1/11/23 to 15/1/2024. All the work has been done so just take them home and watch them grow.
