| Assessor Comments     | All the Yala Yala cattle are well handled and a pleasure to work. A wonderful opportunity to secure quiet cattle to for a small property or to top a herd off. They have their first calf at foot and have been back with the Speckle Park bull from 1/11/23 to 15/1/2024. All the work has been done so just take them home and watch them grow.                                                                                                                                                    |                   |                    |                 |                 |                    |                      |                   |                    |              |  |  |  |                       |  |  |  |
