Assessor Comments	245 NSM Mount Ascot bloodlines red tag ewes. Ewes present in store condition but are strong and robust. Due to dry conditions in the back end of 2023 season the ewes have had a slight backset but with the recent summer rains ewes are on a rising nutritional plain. Ewes are ideal for the restocker market to be joined to your ram of choice. Please see photos and videos for further reference. Also please note: Vendor has other ewes available in same sale.
