Assessor Comments	On offer as part of the Killenbutta Pastoral flock dispersal are 229 Poll Merino ewes, 2021 drop. The Killenbutta flock has been based on Kerin Poll bloodlines, and classed annually by the late Paul Kelly. The flock is only being dispersed due to the passing of the late owner Bill Evans and leasing of the property. These ewes are mulesed, November shorn and SIL at 123% to Haddon Rig Poll Merino rams. Rams are selected on a balance of ASBVs including PWWT, YWT and fat & muscle as well as fleece weight. These rising 3 year old ewes present as well grown and in excellent condition, in the prime of their breeding lives. Vendor has nearly 700 classed breeding ewes on offer in this sale in 3 lines, all SIL to Poll Merino rams, presenting a great opportunity to secure a line of quality Merino breeders. The ewe lambs will also be offered in coming weeks.
