Assessor Comments	On offer as part of the Killenbutta Pastoral flock dispersal are 311 Poll Merino ewes, 2017 to 2020 drop. The Killenbutta flock has been based on Kerin Poll bloodlines, and classed annually by the late Paul Kelly. The flock is only being dispersed due to the passing of the late owner Bill Evans and leasing of the property. These ewes are mulesed, November shorn and SIL at 149% to Kerin Poll Merino rams. Rams are selected on a balance of ASBVs including PWWT, YWT and fat & muscle as well as fleece weight. These mature ewes present in good condition and carrying a big percentage of lambs. Please note the date rams went in is only an estimate as rams were found with ewes after a tree fell on the fence, date is vendor's best estimate of the earliest access. Vendor has nearly 700 classed breeding ewes on offer in this sale in 3 lines, all SIL to Poll Merino rams, presenting a great opportunity to secure a line of quality Merino breeders. The ewe lambs will also be offered in coming weeks.
