Assessor Comments	A very impressive line of young ewes. They are bred from Robert Schilg's 'Concordia' blood Merino Ewes & are sired by Hovell Border Leicester Sires. Big roomy ewes, with stretch & femininity. Gudair Vacc & MLSD. These ewes have joined up very well with only 3 empties that were removed at assessment. 43 ewes with blue dots are scanned pregnant with multiples, 47 no paint scanned with singles. Great ewes with the hard work done, ready for a long career of prime lamb production. Highly recommended.
