Assessor Comments	An outstanding line of 41 Aussie White X ewe lambs, by Tattykeel Australian White rams out of Wiltipoll ewes. These ewes would be a great opportunity to grow into future breeders, already showing good shedding ability and growth for later drop lambs (Aug-Sep). Having already been weaned they are ready to turn out and grow. These ewes had been selected as future breeders to be retained, however, the vendor has decided to reduce numbers and these ewes are now available for sale.
