Assessor Comments	Presents a fantastic opportunity to secure a line of one mark breeders purchased out of the Hay store sheep sale in the spring off the Goolgumbla Merino stud. These ewes are very well grown robust young ewes for there age carrying a very productive fleece of bright white crimping wools. This mob of ewes have been joined up and scanned 100% in lamb to the Arapiles Plains Poll Merino rams. These ewes are all crutched up and ready to go out in your paddock and lamb down.
