Assessor Comments	An excellent Opportunity to purchase a line of Australian White Mixed Aged ewes with Brendarey & Tattykeel Genetics. Ewes & Rams were purchased direct Ex Brendarey Australian White Stud who have spared no expense on Tattykeel Genetics. These Ewes have been running back with Brendarey Rams. This is a total flock dispersal, a tail of the older ewes has been drafted off, with only the lead of these mature ewes being offered for sale. These ewes are proven breeders and are only being sold due to a change in direction by the vendor. Please Note 1.5's are available in this Sale, Ewe lambs are also listed in the National Lamb Sale.
