	Well handled and broken young cattle. Good to handle in paddock ,yards and crush.							
Handled With	Bikes , Dogs , Horses , On foot							
Assessor Comments	Well weaned and handled young cattle, predominantly black (1 white 2 red brangus). Cattle would suit backgrounding or taken on to slaughter weights. Two steers had small number of visible warts which didn't seem to be affecting them. Being raised on the wet coast these cattle should go on to perform well anywhere.
