Heifers were very good to handle in all parts of yards and crush, 1 heifer noted to be slightly stirry was acting up in the crush, once let back to mob settled quickly. These heifers were a bit trotty in big yard and would recommend buyer to allow heifers time to settle into their new environment.

Assessor Comments	Buyers here is an opportunity to buy a small mob of quiet well handled heifers. These heifers are in forward condition and ready to go ahead on grain or pastures for the buyer. They would suit restockers looking to secure future breeder or suit backgrounders looking to put weight on and sell into feedlots, or grow out to heavier kill weights.
