Assessor Comments	Buyers a line of heifers that are mostly frame and not carrying a lot of condition. Heifers are well bred out of a quality Angus cow herd and by quality well know Speckle park bulls. Cattle that would be ideal to put away and bring out for the upcoming oats season and would suit to be grown out to domestic feeders or heavy export heifers. (Please note 6 heifers were treated at assessment for pink eye and will be retreated at delivery if need be but will NOT be pulled out. Also Vendor has multiple lots in same sale.)
