Assessor Comments	A small line of quality Vendor Bred Angus Yearling Steers, weighing from 256-356kg to average 307kg after a dry curfew. The Steers present in a forward store condition and were a pleasure to handle throughout the assessment. Since the Vendors property was completely burnt out at the end of 2023, they have been having trouble with pinkeye, they have regularly been treating the cattle, please note 2 in this mob have pink eye, and will continue to be treated until delivery - please make your own adjustments for this. Vendor has 3 other lots in the same sale.
