Heifers were very easy to handle through the yards and crush. 2 stepped around in the yard but settled ok. 2 heifers agitated in the crush but settled back into the mob well. Well mannered cattle used to being handled.																			
Handled With	Bikes , Dogs , Horses , Vehicles																		
Assessor Comments	***Te Mania sired Angus heifers. Weight range at assessment 271 kg to 366 kg with a projected weight delivery of 315 kg. Heifers that are easy to handle through the yards. Ideal to join to a bull of your choice or to fatten on grass or grain. Sired by AI sire Te Mania Pernod P341 (Te Mania Kirby son) & Te Mania R1243. Angus & Wagyu breedings looking to add IMF to the female herd don't miss this opportunity. Heifers are very suitable to go on & breed high carcass merit feedlot cattle with Angus or Wagyu genetics.
