Assessor Comments	A very good line of Angus& Angus X Santa unweaned steer calves. These steers are growing out well and present in forward condition—an ideal article to carry through to very good feeder steers or a heavy kill carcass. Vendors continue to secure quality sires used over majority Angus & Angus X Santa large framed cows. Calves handled well through the yards without concerns for adverse temperament. A great deck of quality weaners. NOTE: 4 calves presented with pink-eye, they were treated at assessment. *The vendor has another lot in sale.
