Assessor Comments	A neat two decks of PTE Heifers with a great opportunity for compensatory gain with all the hard being done. Heifers have grown out well but have not been checked nutritionally. Heifers should, given the opportunity and nutrition, power forward and give the purchaser the opportunity to reach heavy feeder weights and or join Heifers to the bull of your choice. Heifers are great to handle in both yards and paddock. Hereford Heifers are vendor bred with Hereford breeding for over 60 years and Crossbred being bought in as Cows and Calves. Please note: three old pink eyes in the mob and one with old injection lumps.
