Assessor Comments	A quality line of classed in Santa heifers, Vendor has purchased top quality breeding females in the past to increase the genetic base of the herd whilst also securing bulls carrying leading genetics and the desired cherry red coat, long deep bodied and natural softness. Vendor isn't retaining any females this year and is very strict on the females that are retained with this lot been no exception. Heifers present in fresh condition and are well grown for their age, allowing the purchaser to join the females at anytime in the future. Heifers are true to type and show sound confirmation
