Assessor Comments	A good line of 30 x 14-15 month old vendor bred Angus X Angus heifers. Heifers present in store to forward store condition and in the last 6-8 weeks, these cattle are on the do. This is a good opportunity to secure backgrounder heifers that will bounce away given an opportunity on good feed. Ideal heifers to grow out to feeder weights or join and retain as breeders. Back-lined and vaccinated late 2023. *Buyer's note; 1 x heifers noticed to have blue eye scarring, 1 x heifers noticed to have lump on jawline, considered not detrimental.
