|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------|--|
| Assessor Comments  | A quality line of EU Yavenvale blood heifers that are only for sale due to being surplus numbers. These heifers present in fresh forward condition with good bone and shape. They would be an asset to any breeding production to take and join to a bull of choice in the autumn or to put into any grass fed feeder program. (Please note; vendor has 2 small lines of steers in this sale) |                                                                          |  |
