Assessor Comments	Attractive line of vendor bred Angus heifers. They present with soft feminine bodies that will continue to grow into lovely future breeders, these heifers are bred out of Riga blood Angus cows and sired by a registered Wrigley Angus bull, they are heifers that would be an ideal line to retain and join to the bull of your choice or would also perform very well on feed if that direction is desired. Please note one heifer has white near her udder and 2 have slight cloudy eyes from pink eye but not deemed detrimental.
