| Assessor Comments  | Rewa Wabba offers 24 Poll Hereford weaner steers. With a strong focus on above-average growth and carcass attributes, these steers were sired by JTR Rocketman and Kewarra Athens ex Allendale blood dams. These weaners have some of the top genetics presenting as true Poll Hereford calves with big bone structure and length to suit making them an ideal article for any grass fed program. Highly recommended. MSA & Greenham "Never Ever" Accredited Please note 2 steers were assessed with pinkeye scarring (small dot in center of eye). |     |                         |                                     |
