	These extremely quiet steers were a pleasure to handle both in the yards and in the holding paddock. Stock were polite when being worked, both moving when being pushed and stopping when being blocked. No steer baulked during the drafting. 1 steer became slightly agitated during the weighing process but settled quickly once rejoined with the mob.

Assessor Comments	Presenting an extremely quiet, healthy line of angus steers on behalf of Helen Reilly of East Wangaratta. Steers are sired by Jade Park bulls out of a medium to large frame Jade Park blood cow herd. These long framed, deep bodied steers present in fantastic condition, with good weight for age weighing 359kgs at assessment. These steers are highly sought in the area by repeat buyers because of the consistency of the product produced. Steers have the potential to target feedlot entry weights or grow into heavy grassfed bullocks given the right opportunity. Steers come with assessors' highest recommendation and can be purchased with buyer confidence. Please note, vendor has another lot of 6 heifers on offer in the same sale.
