	These extremely quiet heifers were a pleasure to handle both in the yards and in the holding paddock. Stock were polite when being worked, both moving when being pushed and stopping when being blocked. No heifer baulked during the drafting. 1 heifer became slightly agitated during the weighing process but settled quickly once rejoined with the mob.

Assessor Comments	Presenting an extremely quiet, healthy line of angus heifers on behalf of Helen Reilly of East Wangaratta. Heifers are sired by Jade Park bulls out of a medium to large frame Jade Park blood cow herd. These long framed, deep bodied heifers present in fantastic condition, with good weight for age weighing 340kgs at assessment. These heifers are highly sought in the area by repeat buyers because of the consistency of the product produced. Heifers have the potential to target feedlot entry weights given the right opportunity or are excellent to add to an existing breeding program and join to a bull of your choice. Heifers come with assessors' highest recommendation and can be purchased with buyer confidence. Please note, vendor has another lot of 15 steers on offer in the same sale.
