Assessor Comments	A very neat line of young feeder steers presenting in good condition. These steers are bred out of medium to large framed Stoney Point & Mudeduke blood Angus cows and show all the attributes of growing into quality bullocks, showing plenty of depth and bone. Steers have had all the treatments and are ready to take onto the next stage. Buyers please note vendor has 2 other lots of steers in this sale. Vendor will continue to monitor & treat eyes daily between now and sale as the odd steer was weeping from the dry dusty conditions.
