Assessor Comments	An outstanding run of EU accredited Angus and Black Baldy steers . The Balrook steers are out of extreme large frame cows sired by Granite Ridge and Nampara blood bulls where no money is spared on being in the top end of the catalogues. Steers have had a proper weaning since the start of November and are ready to power ahead weather its on grass or grain. Steers are PCAS JBS farm assured Greenhams Never ever . The Balrook steers are always highly sought after and come with my highest recommendations.
