Handled With	Bikes , Dogs , Vehicles		
Assessor Comments	Second draft of the Konongwootong Autumn drop 2020 Angus and Angus X steer calves that present in healthy, store to forward store condition. Calves have continued to move forward since weaning. I have no doubt with the breeding behind these calves, that given the right circumstances they will continue push ahead into feeder weighted steers the other side of winter. Please note there is a small percentage of calves that have pink eye scarring.		
Assessor	Dean Jenkinson (Level 1 Accredited) Parallel Assessed By : Michael McMeel
