| Assessor Comments  | I have seen these grown out to bullock steers and there are very impressive grown cattle. They are currently showing the signs of grazing the hills where the feed is now short and dry. In the paddock they allowed me to drive through them without much concern. In the yards they bunch up and I would describe them as quick. They will suit those with cattle skills.                  |
| Assessor           | <b>Greg Weber-Smith (Level 2 Accredited)</b>                                                                                                                                                                                                                                                                                                                                                 |
