Assessor Comments	These no 3 Beefmaster steers are out of big framed cows and are usually sold as weaners to repeat buyers who take them through to bullocks. Favourable seasonal conditions have allowed the vendor to keep them for an extra year. They were excellent to handle through the yards using a race draft and have been fed silage in bunks as weaners. Please note these are part of another lot in this sale which will be sold as a 'run out the gate'. Performance cattle.
