Assessor Comments	Buyers a great opportunity to secure a VGQ 2 deck line of crossbred steers. Steers are out of large framed Cows sired by Drensmaine and Murgo Santa, Texas Angus and Kilkenny and Kadanga Valley Charolais , they show good bone and structure and exhibit very good weight for age considering the seasonal conditions prior to recent rains were extremely dry. Steers would be ideal to take through to crossbred heavy feeder markets(with only one steer showing more Brahman content),alternatively could be taken through to grass fed bullocks . Please note a couple of steers showing small weaner horn due to missed dehorning at branding. Vendor has 2 decks sisters this sale.
