	Cattle worked well for being unweaned. Did want to run about in yards but easily blocked up. Some didn't want to settle in crush but generally good to handle. With weaning should settle down well.

Assessor Comments	A very good line of 1 brand account breeder steers. Very well bred cattle with vendor breeding some very commercial Angus bulls. Steers show very good bone, muscle and length. Steers are unweaned and did want to run about a bit in the yards but mouthing aggressive and easily blocked up. Very good steers that will suit trade/export feeder markets or take through to heavy kill cattle. Steers come highly recommended.
