Assessor Comments	A quality line of vendor bred Angus Steers. These steers are 9 & 10 months, KO and Aristocrat Blood, and up to date with all their animal health treatments. Since being weaned 8 weeks ago these steers have powered ahead with the mob averaging a daily gain of 1.1kg. The 'Weowna' cattle are renowned performers, and these steers are true to form presenting in ideal type, frame, and condition. Steers would suit backgrounding for the feedlots or could be taken further and grown out on grass. Please note the vendor also has 80 Autumn drop heifers offered across two lots in the same sale.
